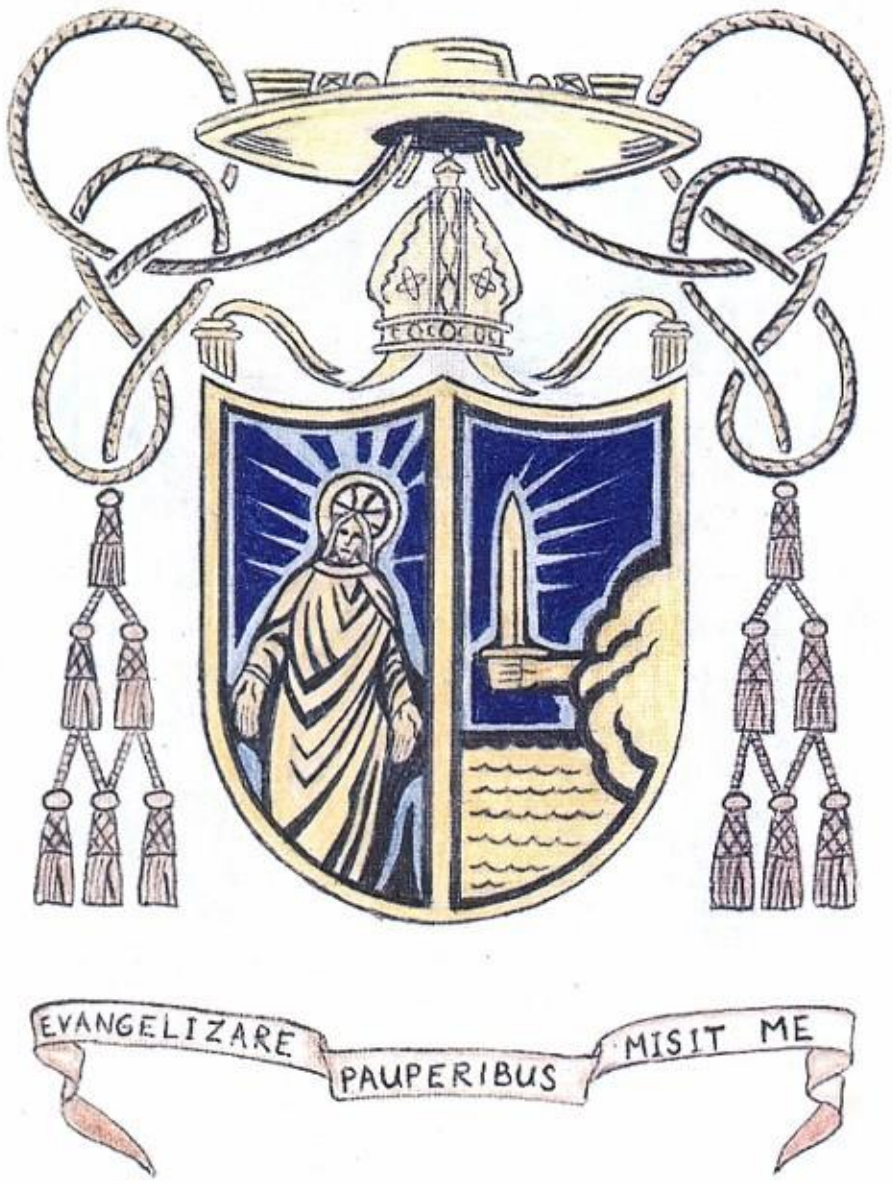
Thaddeus Amat, C.M. was born December 31, 1811 in Barcelona, Spain. He died in May 1878. Thaddeus Amat was ordained a priest at the age of 23 and was consecrated Bishop of Montgomery 20 years later. During his years as Bishop, he was transferred to the Los Angeles Diocese.

It was the desire of Bishop Amat to see a school established in every parish of the diocese. Despite legal obstacles involved in setting up land financing for a parochial school system, Bishop Amat laid the cornerstone for the first Catholic high school and college in Southern California.

It is to this great man that Bishop Amat Memorial High School is dedicated. Because of our tie with Bishop Amat, the 1978 Tusital staff dedicates this yearbook in celebration of Bishop Amat's crowning achievements.

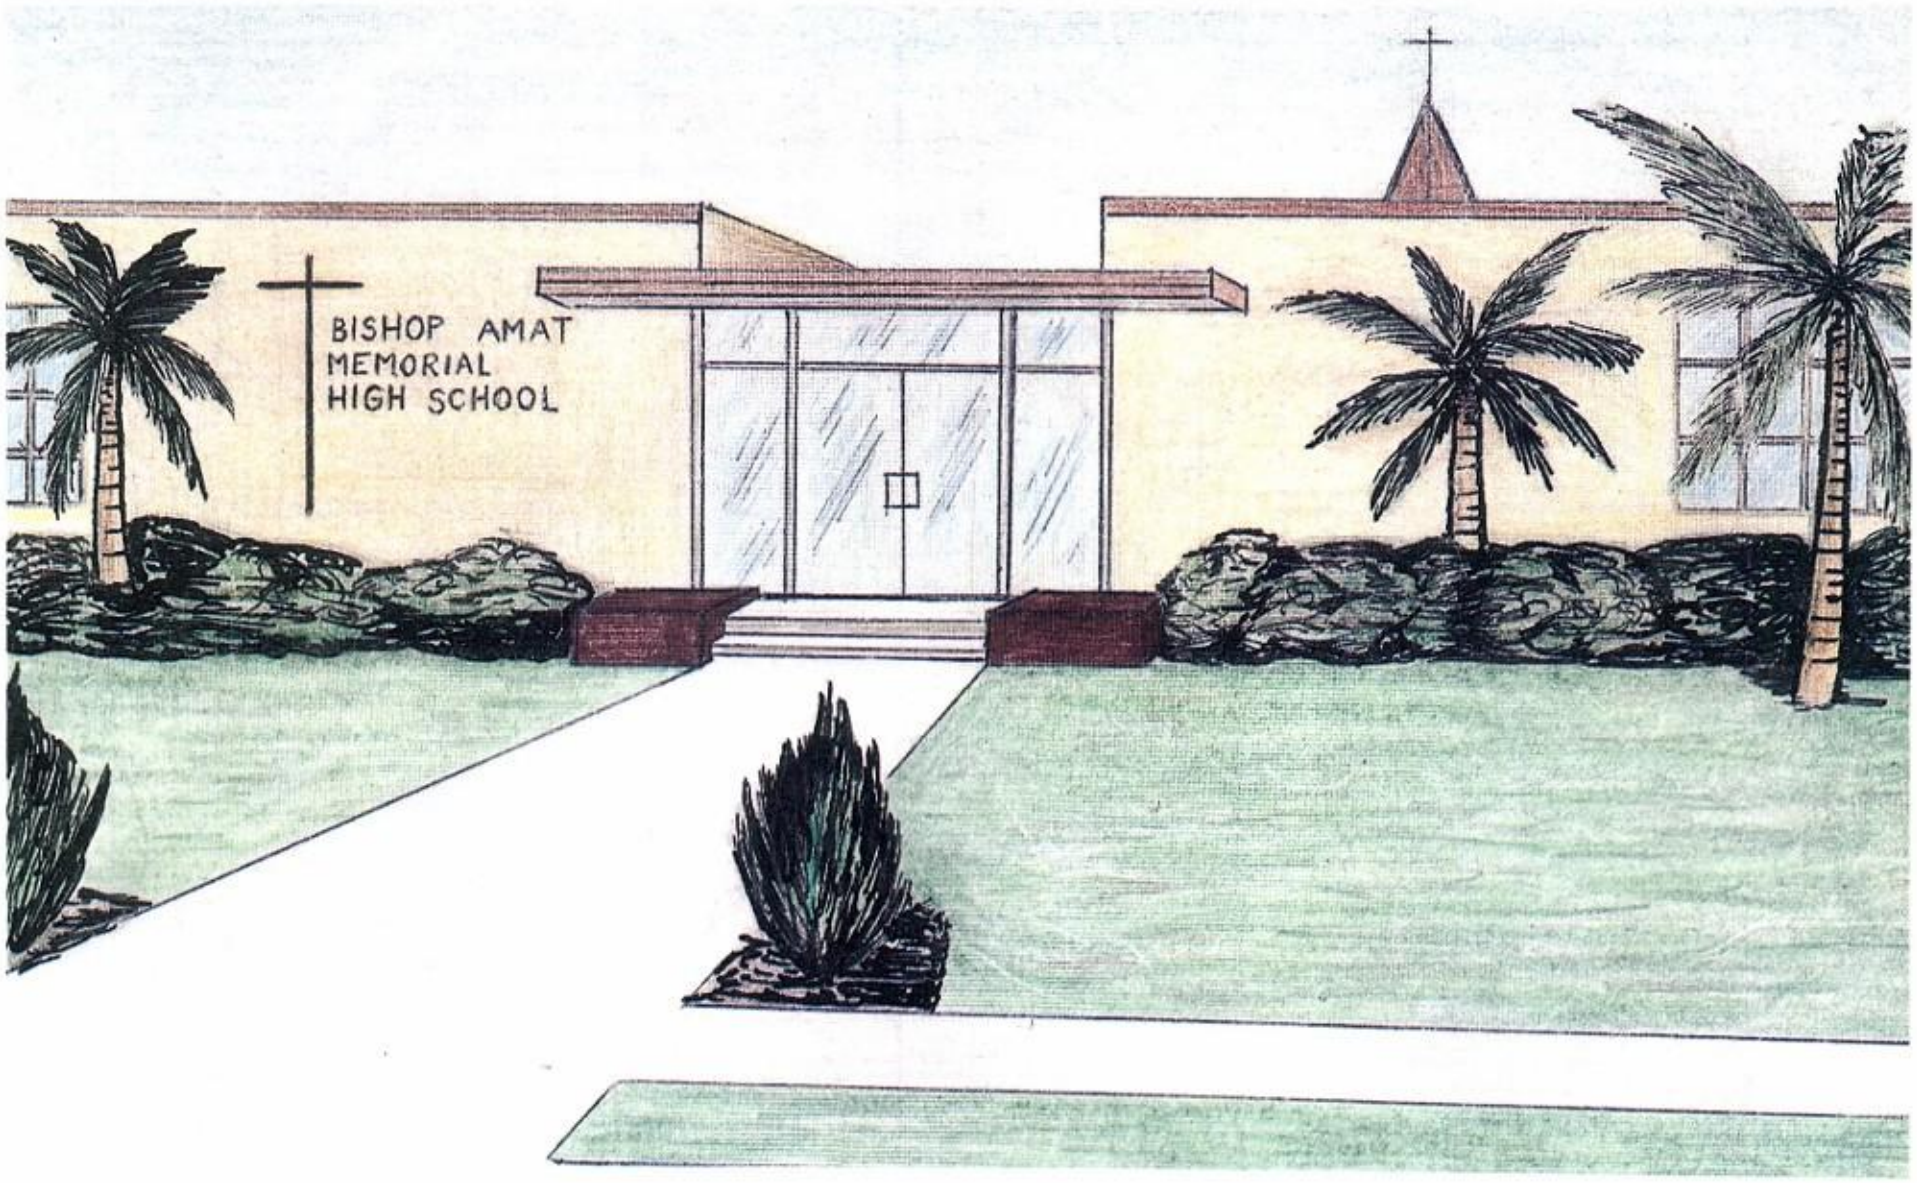


Bishop Amat Memorial High School has a lot to offer us as students.

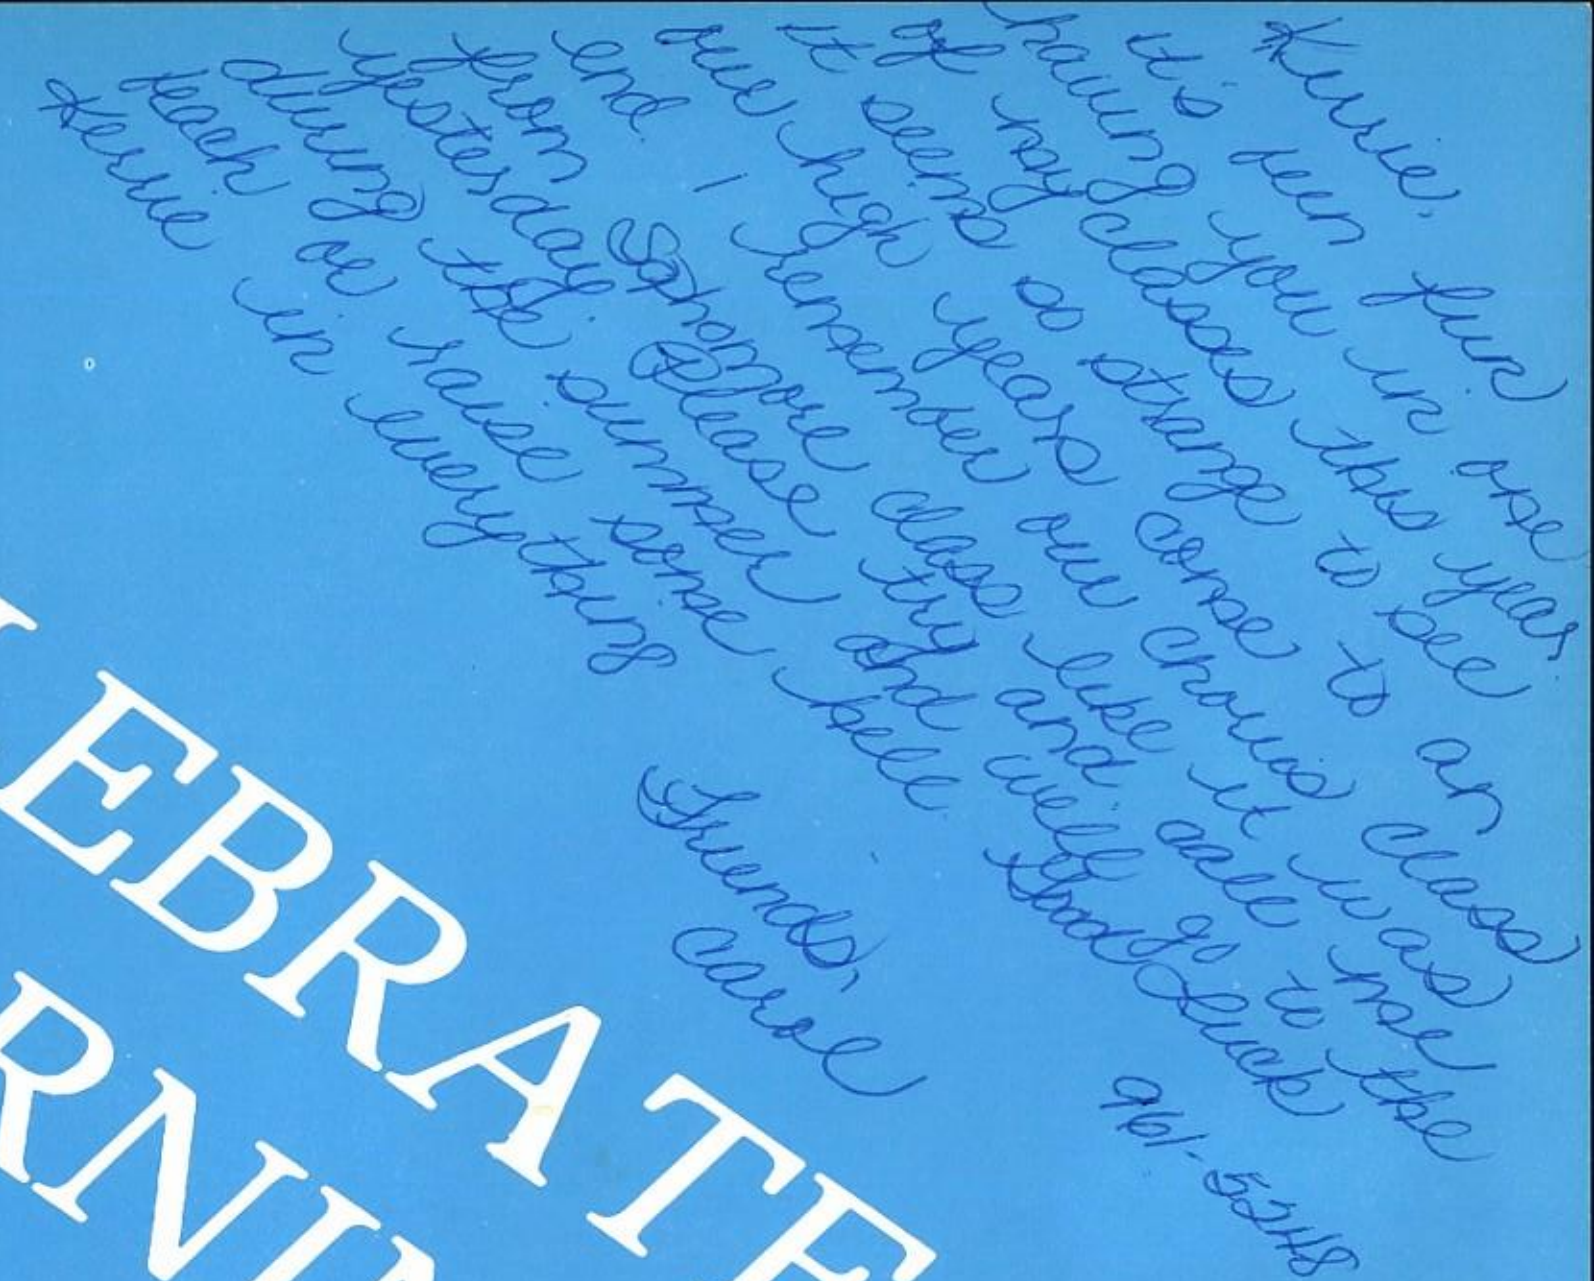
When we are freshmen, we are given the opportunity to better ourselves through hard work.

As sophomores and juniors, this opportunity is extended, and we continue to enrich ourselves both in spiritual and academic growth.

As seniors, we ready ourselves to enter God's world and apply all we have learned to our daily lives.



CELEBRATE LEARNING

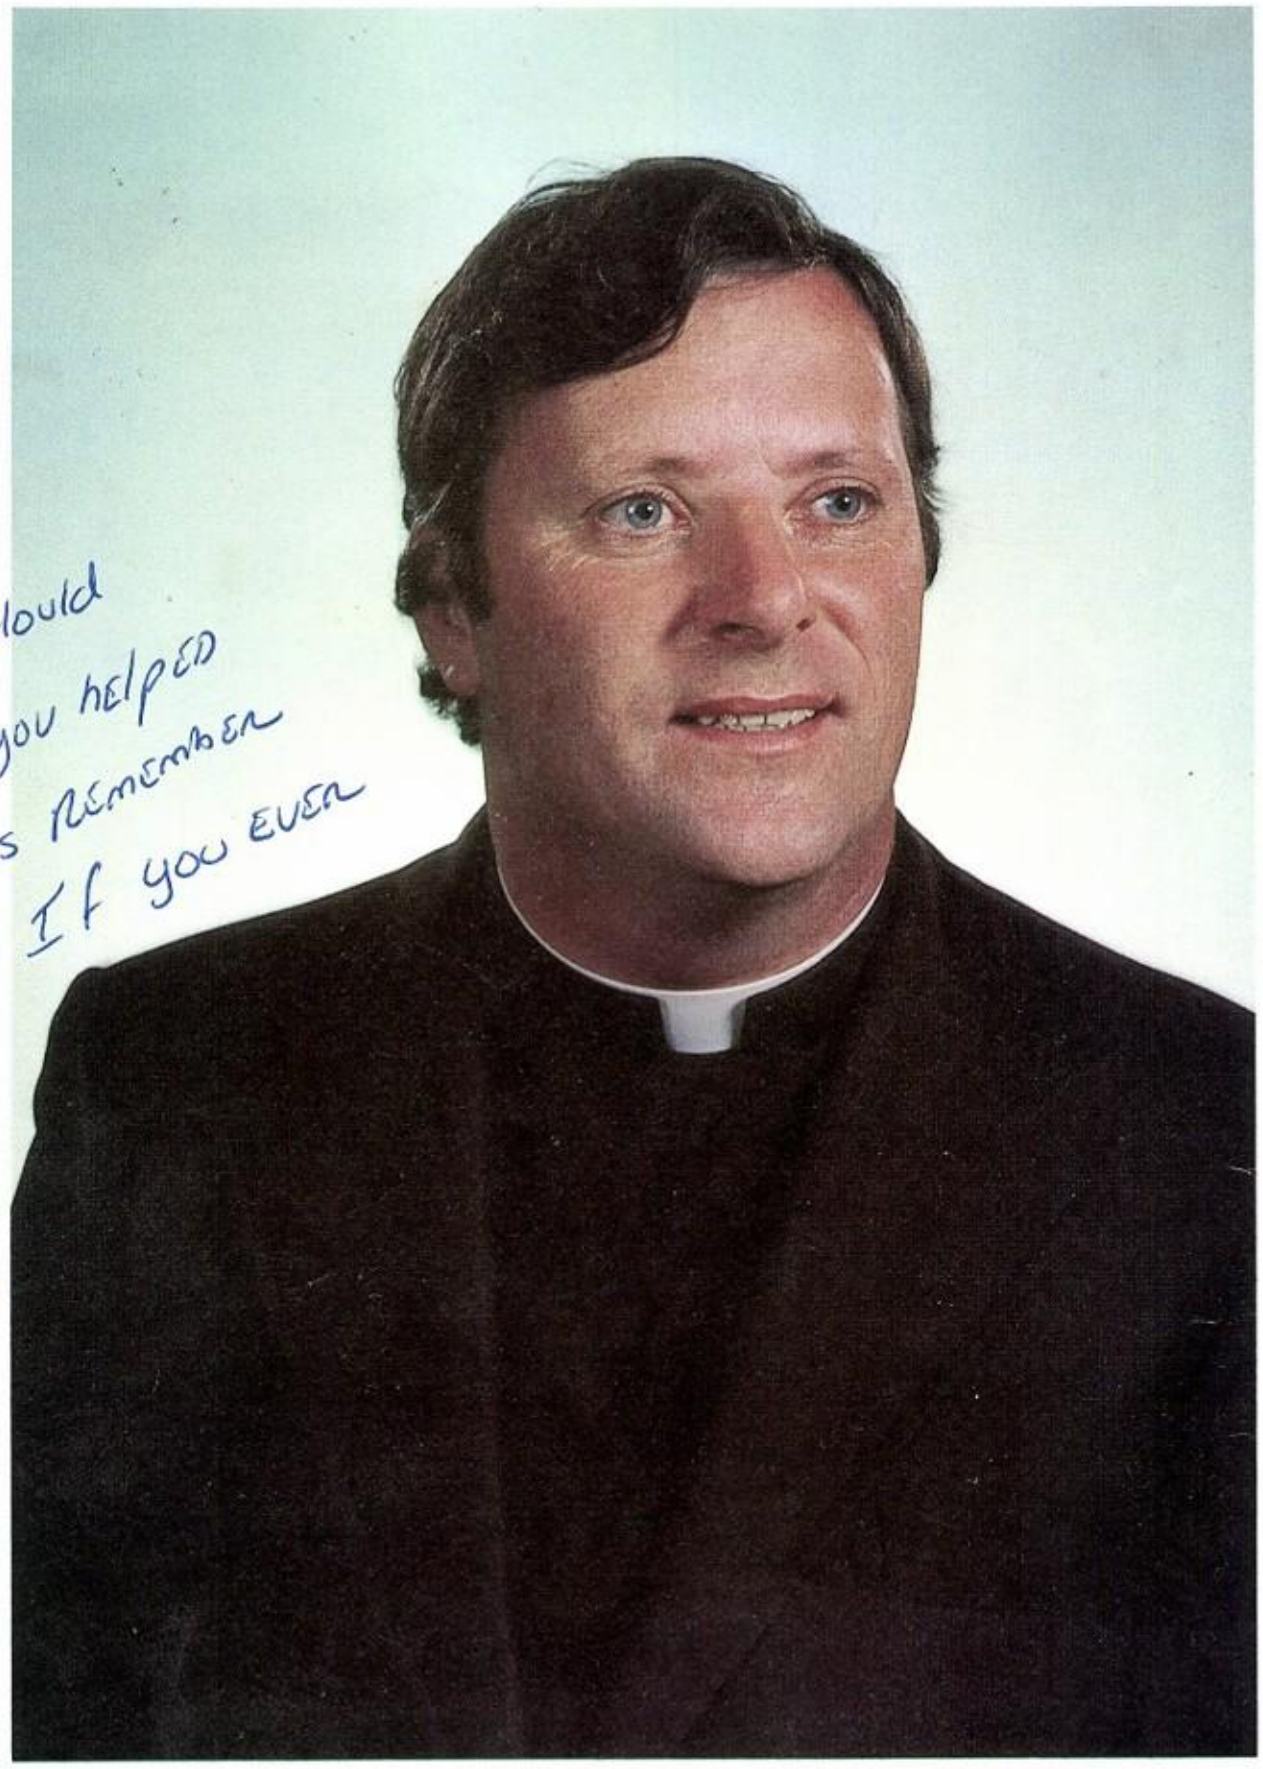


Our Principal

Father Thomas Meskill, a native of Ireland, came to Bishop Amat January 15, 1976, bringing with him new ideals for the betterment of the school.

He has strived to bring to the school academic excellence, while insisting on the importance of religious values.

Through his guidance, the Amat family has prospered both spiritually and intellectually.



KERRIE,
YOU ARE A PERSON WHO SHOULD
BE ADMIRED, FOR ALL THOSE TIMES YOU HELPED
ME & MANY OTHERS. I'LL ALWAYS REMEMBER
YOU AS MY "LIL SURFER GIRL." IF YOU EVER
WANT TO GO OUT WITH A GUY

LOVE,

Here's To You

Here's to you, loyal squad of the tenth grade.
We parents think you're the best football team God ever made.

Oh, we know you didn't win every game,
But we love and admire you just the same.

It was at those afternoon games we wanted to be,
For there were always such fascinating things to see.

You could count on a great tackle by a Bevans named Tom,
And watch with sweet pleasure another swift Frazette bomb.

We'd observe the talented toes of a kicker called Ray,
Or watch a run by Corso that always saved the day.

And could anything surpass that feeling of glee,
To see a pass caught by Chavez, Robles, Denison, or McGee?

All teams have crazy clowns. Just take your pick;
Our squad had McDonough, Marquez, Duffy, and Ramirez, Nick!

To see Leufroy, Coronel, Rob Johnson, and Gonzales on a special team,
With Mitchel, Soto, and Wendle, made their folks beam!

We saw Moulder, Adams, Morales, Martinez, Robert I. and Steven B.
Also David N., Jeffrey, Mario, Desmond, and big Cassy!

Trying so hard were McKay, Judson, Scott, Slattery, Sanchez, and Tito.
And the sophs who left for varsity play — you've always been neato!

There were decisions from referees which generated some heat,
And brought words from Coach Frazette, which I now have to beep!

That day we lost our head coach was very sad to see,
But we still had Sotro, Nicholson, and the Big T.C.

Every receiver improved under the tutelage of Crawley Tim.
And who worked hard all summer and fall? Nicholson, that's him.

Sotro became head coach almost out of the blue,
But he never gave up on himself — nor on you.

There were some wonderful moments in the season, you bet;
Here are a few we can never forget:

The two interceptions caught by Baca,
An amazing eighty yard run by Tanaka,

The holes made by magnificent Manny C.,
For fullbacks such as Vint B.

There's Zuro, Jaime, and big man Abel,
Add them to you offense; now you're stable.

The cheering of our good friend Kelly,
A Sotro tackle in someone's belly.

Seven touchdowns by mighty Matthew A.,
The new two-point-conversion play.

Other plays like the great "30 stomp,"
And we beat St. Paul, what a romp!

The confidence John Crawley had for the Loyola game,
Matt Johnson's St. Paul interceptions — instant fame!

Then Joe O'Conner finally got a sack,
And Chuck Moore crawled up someone's back.

Henry and Eddie hit the quarterback like a missile,
And let us not forget Bowman's strange whistle.

A penalty for too much touchdown cheer,
Rodriguez going both ways, made them fear.

And the fear which on poor Pius fell,
When faced with the awesome Larry L.

We will follow your advance to the varsity with pride
And with fear, anticipation, and a joy that's hard to hide.

So here are three wishes for your future, before we go.
Hoping they aid and comfort you and help you grow.

May the adult world not suppress you.
May the hard work and study not depress you.
And, beautiful young men, may the dear Lord bless you.

Beating our Lancers, Swordsmen, is a
hopeless dream
You don't have the gusto it takes to beat
our team.
Your pride you will conceal
When Tommy Davis makes a steal.
He will show his talent all
When Robles throws the basketball.
As Burrell jumps for a rebound
He'll knock your guards to the ground.
With Pete Rivas guarding the key
You'll lose your position almost instantly.
When Steve Hagerty makes a shot,
He shows the power Amat's got.
We can count on Fred Wee to save the day,
The crowd cheers when he comes to play.
Your defense, suddenly, will decline
When Jastrab steps to the free throw line.
Gabe Chavez's dribbling, you'll see,
Will change the score triumphantly.
Coach Collins and team go through thick
and thin;
They'll do almost anything for a Lancer win!

The City of Industry takes a marked pleasure in extending congratulations and best wishes to the 1978 Graduating Class of Bishop Amat High School, La Puente.

Though the City of Industry was conceived as an industrial entity and has geared its civic service and community planning toward this end, it shares with its neighbors in the rapid growth and development of historic San Gabriel Valley.

We of Industry are extremely proud of our nearby residential area, its churches, educational and recreational facilities, and take this opportunity to express its gratitude for its very existence.

In Memory Of Kathy Taylor

My friends – As I wrote earlier, people should be loved. I enjoy people and that is why I have placed my friends near the top of my list of values. There are so many times when I need someone to talk to, to ask advice, tell them some good news or to ask questions about homework. I don't think that you need a friend for only talking though, but for enjoying each day. Lots of times we'll just laugh or tell stories about the things that have happened when we've gone somewhere together. Having your friends with you makes a trip or event much more pleasurable. I might remember a shopping trip because my friends were there or a basketball game and the fun time we had cheering together. I believe my high school memories won't be of the classes and the assignments we had to do but of the people I spent four years of my life with.

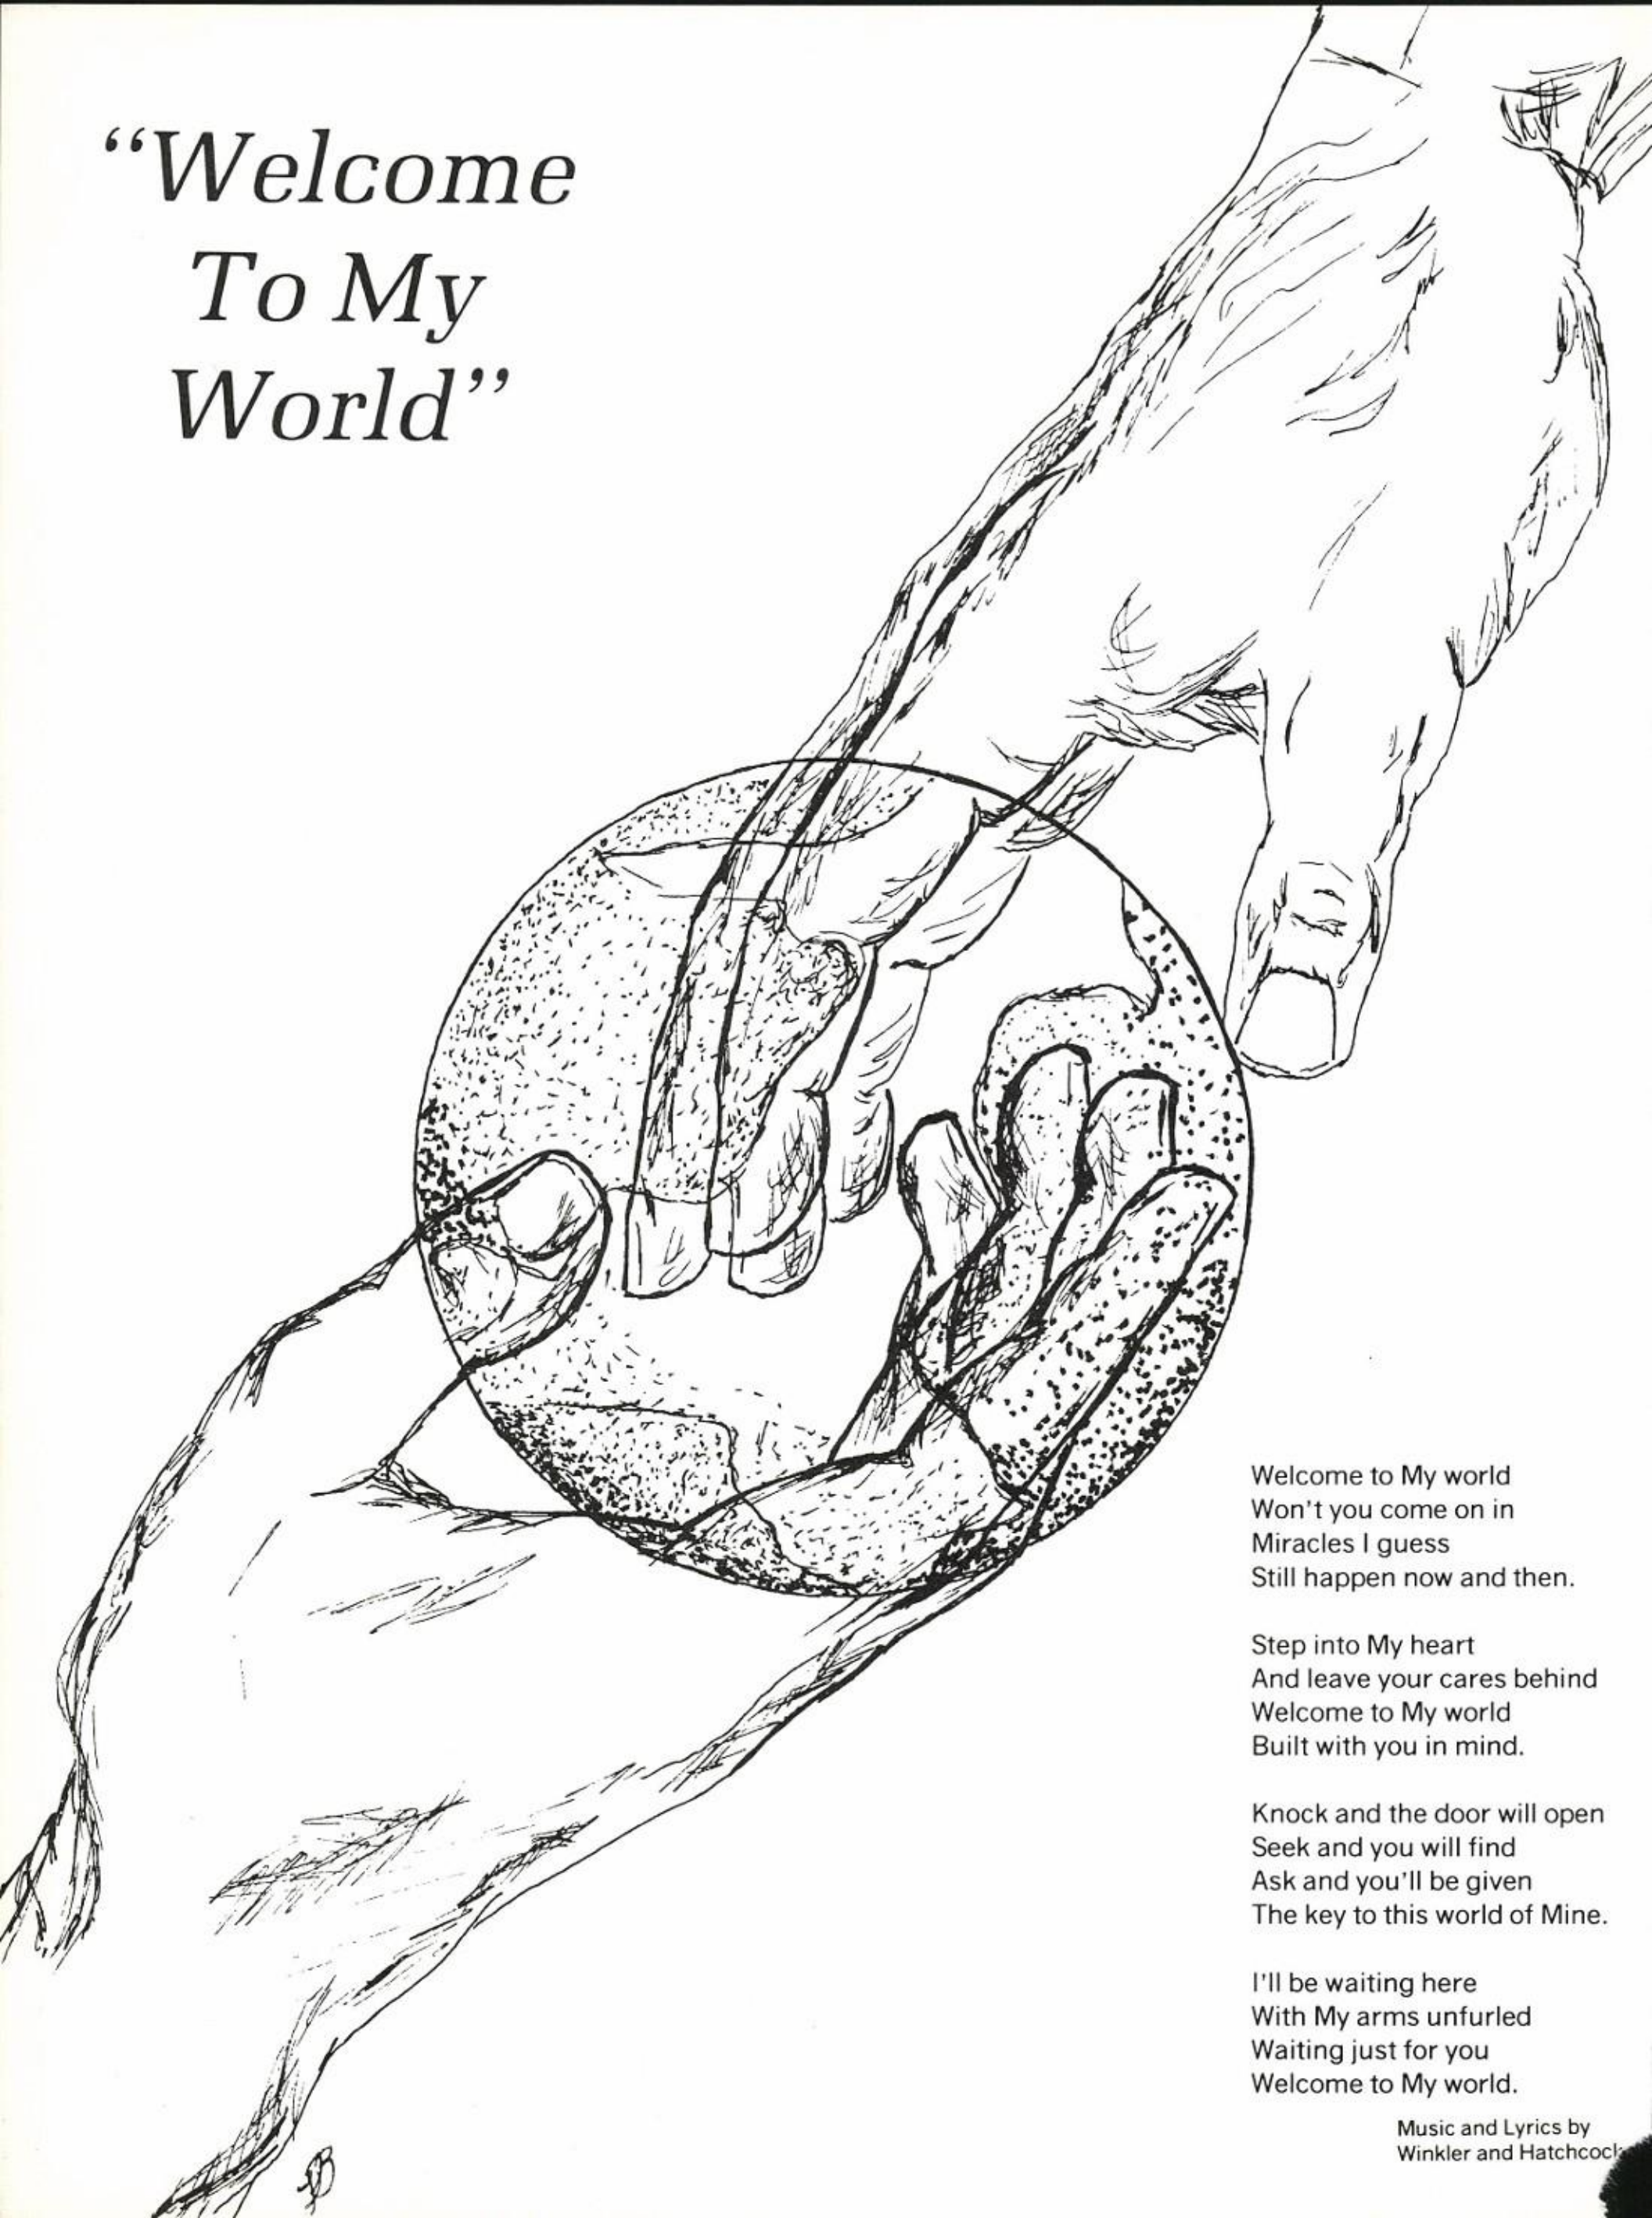
Kathy Taylor

In Memory Of Sean Moore
1960-1978

Sometimes it's hard
To understand
Why some must go so young,
Before they've time
To dream their dreams,
Before their songs are sung,
Could there be greater
Work for them,
Or possibly release
From something where
They cannot find
An answer to their peace?
It must be that our lives
Are planned,
"We have a time to go" —
May faith help us
To understand
What we can't see or know

— Helen Farries

"Welcome To My World"



Welcome to My world
Won't you come on in
Miracles I guess
Still happen now and then.

Step into My heart
And leave your cares behind
Welcome to My world
Built with you in mind.

Knock and the door will open
Seek and you will find
Ask and you'll be given
The key to this world of Mine.

I'll be waiting here
With My arms unfurled
Waiting just for you
Welcome to My world.

We began the year with a new moderator and a small staff of nine dedicated students with creative ideas yet to be established, all to be shared. We set out to put together a book different from any other Amat has known. With the help of Sister Mary Aiden, Senior Portraits Incorporated, and Nelda Townsen from Taylor Publishing Company, we accumulated the knowledge needed to make the **Tusitala.** Nothing, of course, would have been accomplished without the excellent guidance of Mrs. Diana Miller, our advisor. I remembered her saying, "This is your yearbook; I am only here to give you suggestions." She put in long, patient hours with the staff coping with deadlines, lost film, no shows for important pictures, more deadlines and short tempers.

We extend our sincere thanks to anyone who contributed to the success of this yearbook.

Congratulations to Brenda, Janet, Debbie R., Shawn, Jim, Debbie H., Daryn and Vivian for getting through the year alive. It was a job well worth the effort. We hope we have gathered the memories and the tales of this past year, especially of the seniors, into this book.

Special thanks go to:
Sister Mary Aiden O.S.B.
